		·• 🞽

### 2 Introduction

This document provides How-to Instructions for the Promo Hero. This is intended and available in MetLife 2.0-page templates.

#### 2.1 Short Description

This component is used for showing the highlights of page using title and subtitle.

#### 2.2 Intended Audience

The primary audience of this design is:

- Content Authors
- Agencies
- Marketers

## 3 How to Create a Hero Component with Title and Subtitle

This template can be created by selecting "MetLife 2.0 (Reference) – Blank Content Page" from the list of templates, while creating new page.

#### 3.1 How to Enable Promo Hero Component

£

The Promo Hero component can be enabled/disabled at the page properties of a page. Unlike other components this component is not available on sidekick. The option to enable/disable Promo Hero component is available on blank content page templates. Open the page properties of a page and select 'Promo Hero' from the drop-down value under Blank Content tab.
