Protecting Our Environment

MetLife has a longstanding commitment to environmental stewardship, and we are proud to be the first U.S. insurer to achieve carbon neutrality — an achievement we have maintained for the past four years. We also are one of the top 10% of companies to achieve a Leader's grade (A-) on climate change in the annual CDP Investor Report, also for the fourth consecutive year. While we worked hard for these accomplishments and are proud of them, we continue to seek additional ways to reduce our footprint and build resiliency in a changing world. CHAPTER 5
